LETTER OF UNDERSTANDING # 6

EXPEDITED ARBITRATION (12 MONTH-PILOT)

1. *The intent of this letter of understanding is to have a matter decided expeditiously through an arbitration. Ideally, unless agreed to otherwise by the parties or required by the arbitrator, hearings will take no longer than a single day and require an agreed upon Statement of Facts.*
2. *As an alternative to the arbitration process set out in Article 15, two (2) days at the end of each October, March, and June shall be held for Expedited Arbitrations in accordance with this Article. No more than two (2) cases shall be heard on any single day, with a maximum of four (4) cases over the course of two (2) days.*
3. *The Association, TEBA, and School Divisions with grievance(s) that may be suited for an Expedited Arbitration, shall meet during the first week of each of September, February, and May. During each of these "Pre-Expedited Arbitration Meetings," the Parties will propose grievances for referral to Expedited Arbitration. Where there is mutual agreement between the parties to the grievance to advance to Expedited Arbitration, the hearing will take place at the end of the following month. Where there are no grievances slated for the held dates, they will be cancelled in order to mitigate cancellation costs, with the cancellation costs shared equally by the Association and TEBA.*
4. *There is no limitation on the parties to a grievance from mutually agreeing to proceed to Expedited Arbitration outside of the Pre-Expedited Arbitration Meetings in Article 3, and / or mutually agreeing to book alternative dates to those in Article 2 where the hearing can be facilitated sooner.*
5. *The Parties to the grievance shall cover their own costs of the hearing and equally share the cost of the arbitrator. If no hearing occurs, TEBA and the Association shall share equally the cancellation costs for the arbitrator.*

For the purposes of this letter of understanding, three arbitrators who have been agreed to by the Association and TEBA will hear Expedited Arbitration files on a rotating basis, where possible.*
8. *Arbitration decisions may not be used to alter, modify, or amend any part of the appropriate collective agreement, and are made without precedent or prejudice to similar or like cases. Such a decision shall be final and binding upon the parties to the grievance and no further action may be taken on that grievance by any means.*
9. *Ideally, the designated arbitrator will issue an award for each Expedited Arbitration within four weeks of the hearing. The designated arbitrator remains seized to each Expedited Arbitration in order to determine any issues left pending by the award. The award will contain the following paragraph:*

“This award is the result of an expedited procedure to which the parties agreed. Consequently, there has been evidence entered by agreement as well as by submission. Reference to case law has been limited. The parties are satisfied with an award that accommodates their agreed restrictions on the procedure. The arbitrator reserves jurisdiction regarding the quantum of any damages awarded and any issues concerning the implementation of the award.”

10. *This letter of understanding shall come into effect on the date of ratification of central terms unless otherwise agreed and expire following twelve (12) months from the effective date. The Association and TEBA will meet prior to the expiry of this letter of understanding to assess the effectiveness of the Expedited Arbitration process herein, at which time they may mutually decide to extend, amend, or allow the letter of understanding to expire.*

LETTER OF UNDERSTANDING # 11

TRAVEL TO SCHOOL DIVISION MANDATED PROFESSIONAL DEVELOPMENT (PD) FUNCTIONS

The School Division agrees that travel to School Division mandated professional development functions will be addressed in the following manner:

Professional development activities that are organized and delivered under the School Division`s direction, which teachers are directed to attend (School Division PD functions), the School Division will amend its Policy DLC, or create a new policy, to provide that teachers attending School Division PD functions will be paid for any additional travel to such functions over what a teacher would travel if the teacher was to report to their home school. The allowance will be based on actual kilometers driven, and to that end, the teacher will need to know and advise of the actual kilometrage that is traveled normally between the teacher`s residence and the teacher`s home school by the most direct reasonable route, and the actual kilometrage driven from the teacher`s residence to the PD function by the most direct reasonable route, so teachers will need to keep track of the kilometers driven to a School Division PD function. The honour system will be used. The exact wording will be worked out in consultation with the Association once the new collective agreement, currently being negotiated is ratified by both parties but, the foregoing principles will be reflected in the wording.
