# Eligibility FAQs

#### DOES "SUCCESSFUL K-12 TEACHING" INCLUDE MY WORK AS A SCHOOL LEADER?

Absolutely! For the purposes of this award, successful "teaching" includes leadership work at the school and division level.

## WHAT IS THE "HIGHEST LEVEL OF ATA MEMBERSHIP POSSIBLE"?

Teachers who are employed by public, separate and Francophone school divisions in Alberta are active members of the ATA, which is the highest level of membership possible.

All other teachers in the province (including those who are employed at schools operated by First Nations education authorities, the provincial government, and charter or private school societies); those who are retired, unemployed or engaged in full-time study; those who work in faculties of education in Alberta and in certain roles in Alberta's education system are not eligible for active membership, but may purchase

associate membership in the ATA. Visit the ATA website, or click or scan the QR code for more information.

# WHAT IS A "RECOGNIZED PUBLIC UNIVERSITY IN ALBERTA OR CANADA"?

For the purposes of determining award eligibility, the ATA will recognize

- the following Alberta-based universities that have either a longstanding relationship or memoranda of understanding with the ATA: Ambrose University, Concordia University of Edmonton, Mount Royal University, St Mary's University, the King's University, the University of Alberta, the University of Calgary and the University of Lethbridge;
- other Canadian postsecondary institutions that are listed as "universities" in the Government of Canada's list of designated educational institutions ("junior colleges" and "private institutions" are not eligible). Click or scan the QR

### WHAT COUNTS AS "FULL-TIME STUDY"?

code to view the list.

The number of courses or credit hours a doctoral student must take each semester to be considered a full-time student varies between institutions and programs. When assessing the eligibility of an applicant's doctoral program, ATA staff will refer to the institution's definition of what constitutes full-time registration.

# Required Documents

If you are eligible to apply, your application package and all required documents **must be received by February 28, at 5 PM**. The ATA scholarship subcommittee will only review complete application packages that are received by the deadline.

#### **APPLICATION REQUIREMENTS**

Your application package will be accepted if it includes

- ✓ either proof of admission to an eligible doctoral program at a recognized university or proof of current registration in the first year of an eligible doctoral program at a recognized university in Alberta or Canada;
- ✓ official transcripts for all graduate and doctoral coursework you've completed to date (undergraduate transcripts are not required); and
- ✓ two dated and signed letters of reference, each no longer than two pages in length, that attest to your exemplary K-12 teaching practice, academic achievement and contributions to the ATA and to public education.

Your application package will be rejected if

- x any or all of the required documents listed on the left are received after the deadline;
- the application pages are not completed or are not signed;
- x responses in the application booklet or letters of reference are handwritten:
- x transcripts are not official copies;
- more than two letters of reference are provided, or any individual letter is more than two pages in length, or any letter is provided by a current or former member of ATA staff or a current member of the ATA's provincial executive council; or

# Other FAQs

# WHAT HAPPENS IF I RECEIVE A FELLOWSHIP, BUT I'M NOT ABLE TO ACCEPT IT?

This award cannot be deferred. If one of the recipients becomes ineligible or is unable to accept the fellowship, the alternate will be notified that they are a recipient.

## WHAT MAKES A TRANSCRIPT "OFFICIAL"?

Transcripts are considered official if the ATA receives them directly from your postsecondary institution either as

- hardcopies bearing the signature of the institution's registrar, sent to the ATA by mail in a sealed envelope; or
- digital copies that are shared by the institution via email to pd@ata.ab.ca or through MyCreds.ca.

Any other transcripts or grade reports will not be accepted.

## WHAT MAKES AN EFFECTIVE LETTER OF REFERENCE?

The scholarship subcommittee reviews dozens of letters of reference every year. Make sure that your letters of reference are effective by ensuring they

- are specific—each letter directly addresses the award criteria (ie, your exemplary K-12 teaching practice, contributions to the ATA and to public education and academic achievement).
- are descriptive—each letter is written by an individual who is able to provide detailed examples that demonstrate how you meet or exceed the award criteria.
- add value—each letter enhances
  your overall application by sharing new
  information that the subcommittee
  cannot ascertain from your application
  form, transcripts or other letters
  of reference.

# IF I RECEIVE A FELLOWSHIP, DO I HAVE TO REPORT IT WHEN I FILE MY TAXES?

Yes. Fellowship income is taxable. The ATA will provide recipients with a T4A slip to report the \$7,500 paid in September and, in the subsequent year, a second T4A slip will be provided for the \$7,500 paid in January. This payment schedule allows fellowship income to be spread over two tax years.
