2026

Red Deer Public adopts the unified salary grid in 2026.

Currently the salary grid in Red Deer Public is numbered from 1 to 10 instead of 0 to 9, which is the numbering method used throughout the province. In 2026 Red Deer Public will adopt the unified salary grid and this necessitates a renumbering of grid steps. A step 5 in 2025 is equivalent to a step 4 in 2026. This reflects a renaming and not an actual change in grid position.
