RED DEER POLYTECHNIC EDUCATION PROGRAM ADVISORY COMMITTEE

Posting Date: February 12, 2026

Closing Date: April 7, 2026

Vacancy: One field member

The committee

The Association names representatives to external boards and committees, including Red Deer Polytechnic (RDP) Education Program Advisory Committee. The committee provides input to RDP's education program leaders on the direction of programming and curriculum delivered.

The commitment

This position is an opportunity to represent your colleagues and the Association on an external board. As an Association representative, you would attend the committee meetings as called. Travel and incidental costs incurred, as well as release time, are covered to enable field members to attend meetings.

The candidacy

Members must hold the highest level of membership available to them to serve on a committee. The successful candidate for the respective position will possess experience and expertise in worksite safety practices in relation to education. In addition, consideration shall be given to those who have evidenced commitment to the Association through attendance at the Annual Representative Assembly or the Summer Conference, and/or the holding of office in a local, specialist council, bargaining unit or convention association. Candidates for committee positions are selected to serve on the basis of their expertise, their commitment to the Association and, in some cases, their geographic location and area of specialization.

Consideration will also be given to applicants who self-identify as belonging to equity-seeking groups in order to recognize diverse viewpoints that have traditionally been under-represented. Please note that, to promote broad representation, members already serving on a standing committee of the Association in 2026/27 are infrequently named to an additional standing committee.

To apply for this position, please complete the online application form, available on the ATA website under Advocacy > Volunteer, by the closing date for the position. All applicants are encouraged to reach out to their district representative(s) to better understand the work that Association committees undertake.

All applicants and nominees will be advised as to the outcome of this competition. If you have any questions, please contact Lindsay Yakimyshyn at lindsay.yakimyshyn@ata.ab.ca, 780-447-9425 or 1-800-232-7208.
