SCHOOL LEADERS ISSUES AND CONCERNS COMMITTEE

Posting Date: February 12, 2026

Closing Date: April 7, 2026

Vacancy: two field members – school or system leader

one field member – classroom teacher

The committee

The School Leaders Issues and Concerns Committee studies, monitors and advises Provincial Executive Council on matters affecting school leaders and the administration of schools. The committee also makes recommendations for coordinating the work of the Association related to school leaders. As needed, the committee constitutes subcommittees for the purpose of carrying out its mandate. The committee's membership includes both school or system leaders and classroom teachers.

The commitment

This committee position is an opportunity to share your voice and represent your colleagues at the provincial level. As a committee member, you would attend the committee's meetings (three per school year, in Edmonton or virtual). You would come prepared to speak to—from your perspective as a teacher or system/school leader in the field—the forces affecting the committee's work.

The Association covers travel and incidental costs incurred, as well as release time when required, to enable field members to attend committee meetings.

The candidacy

Members must hold the highest level of membership available to them to serve on a committee. The successful candidates for these positions will hold a classroom teacher position or a school or system leader position, as applicable to the role. In addition, consideration shall be given to those who have evidenced commitment to the Association through attendance at the Annual Representative Assembly or Summer Conference, and/or the holding of office in a local, specialist council, bargaining unit or convention association. Candidates for committee positions are selected to serve on the basis of their expertise, their commitment to the Association and, in some cases, their geographic location and area of specialization.

Consideration will also be given to applicants who self-identify as belonging to equity-seeking groups in order to recognize diverse viewpoints that have traditionally been under-represented. Please note that, to promote broad representation, members already serving on a standing committee of the Association in 2026/27 are infrequently named to an additional standing committee.

To apply for this position, please complete the online application form, available on the ATA website under Advocacy > Volunteer, by the closing date for the position. All applicants are encouraged to reach out to their district representative(s) to better understand the work that Association committees undertake.

All applicants and nominees will be advised as to the outcome of this competition. If you have any questions, please contact Lindsay Yakimyshyn at lindsay.yakimyshyn@ata.ab.ca, 780-447-9425 or 1-800-232-7208.
